

**A Partnership between the Presbytery of Baltimore, PC(U.S.A.)
&
Central Presbytery of the Synod of the Cuban Presbyterian
Reformed Church**

We are united in one mission proclaiming the Gospel, maintaining love, hope and mutual respect. We renew this Partnership between the two Presbyteries, suggesting that the Partnership continue to include:

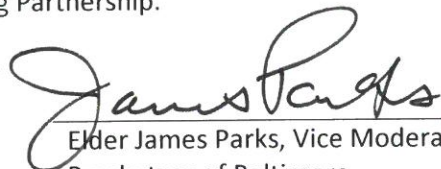

- We will constantly pray for each other
- We will maintain a Partnership Committee that will promote work and relationships
- We will establish close ties of information about projects, life, mission of the churches, Bible studies and special activities with regard to the liturgical calendar we both celebrate
- We will, whenever possible, visit each other for the purpose of getting to know one another and to dialogue about current topics within and outside of the Church.
- We will be collaborators in doing the work entrusted to us; sharing and interacting with each other in areas related to leadership development, resources and worship with Clergy and lay participation, always with the approval of both Presbyteries and in consultation with both Partnership Committees.
- We will share our life experiences mutually and with others.
- Church-to-Church partnerships will be sought through the discernment of local Sessions and with the approval of both Presbyteries.
- Our Partnership will be in effect for five (5) years beginning on this day, February 15, 2015. One or either of the Presbyteries may elect to end the Partnership after informative discussion. At the end of five years we will evaluate the Partnership to determine if it should continue.
- We ask God to guide us in this continuing Partnership.
